

## How do I Add Tax-Specification to Proposal and Project Invoice?

- 2023-11-30 - Comments (0) - Lاسernet FO Connector FAQs

# Lasernet for Dynamics 365

A new feature has been introduced in Lاسernet FO Connector 6.1.0.5. There is now an option to get the tax specifications added for the **Proposal Project Invoice**. The same method can be applied used for both the **Proposal Project Invoice** and for the **Project Invoice**.
