

Coming soon: Lasetnet 10.3!

2022-07-07 - Adam McStravick - Comments (0) - Lasetnet News

Our development team are now busy putting the finishing touches to Lasetnet 10.3.

The release is planned for mid-July - when you can find full details here on the Formpipe Support Portal.

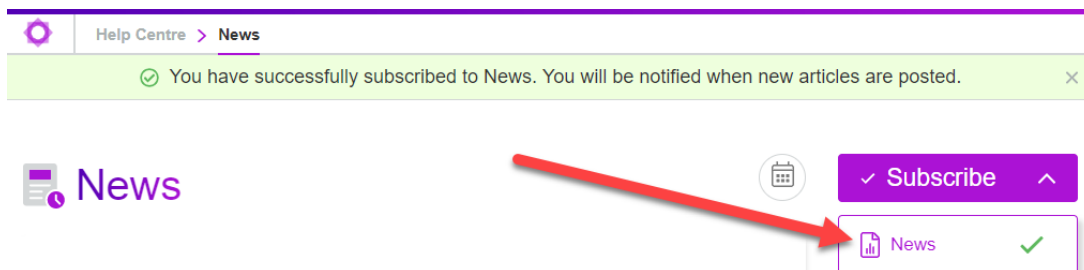

What's included?

- Hyperlinks in images
- Encryption and password protection for DOCX and XLSX format documents
- Requested fix (ref. 24435, 25201, 26262) where empty values set from JobInfo profile were not editable

...and much more!

The screenshot shows the 'Help Centre > News' page. A green notification banner at the top states: 'You have successfully subscribed to News. You will be notified when new articles are posted.' Below this, the 'News' section is visible. A red arrow points to a 'Subscribe' button with a checkmark and an upward arrow. Below the button, a confirmation box shows a calendar icon, the text 'News', and a green checkmark.
