Maintenance report

Internal Ref.	Issue/Feature	Details	Status
#377954	Sales Quote error	When creating a sales quote from a contact without any relationship to a customer, the system will show the error: No Customer no. is specified.	Fixed
#377575	Filesystem fails to get PDF from Lasetnet.	If you are using filesystem instead of Azure within interface setting, you are not able to get the PDF back from the Lasetnet server. This has an impact on the Archive and the Preview of reports. This only impacts on-premise BC.	Bug
#377331	View button	We have added a View function on the Azure Connection Strings within Interface settings for Azure.	New Feature
