Lاسernet

Lاسernet Release Version 9.4

Release date: 6th March 2019

Fixes

The purpose of this section is to outline the fixes of the components of Lاسernet Version 9.4.

Lاسernet OCR

- Version 9.3 was not able to start-up via a Windows shortcut due to a missing DLL.
This is now fixed.

Lاسernet Meta

- Version 9.3 was not able to start-up via a Windows shortcut due to a missing DLL.
This is now fixed.
