Lasernet 9.4

2019-03-06 - Nicole Ojeda - Comments (0) - Lasernet 9 Release Notes

Lasernet Release Version 9.4

Release date: 6th March 2019

Fixes

The purpose of this section is to outline the fixes of the components of Lasernet Version 9.4.

Lasernet OCR

- Version 9.3 was not able to start-up via a Windows shortcut due to a missing DLL. This is now fixed.

Lasernet Meta

- Version 9.3 was not able to start-up via a Windows shortcut due to a missing DLL. This is now fixed.
