Our Latest Feature Videos

2023-06-07 - Kate Coles - Comments (0) - News

Take a look at our latest Feature Videos that have been released within the past few weeks.

Firstly, Kevin Tattersall, the Dynamics Team Manager, shares a demonstration on how to <u>create an out-of-the-box SSRS Replacement Report</u>.

Soren Hjorth, our Business Solutions Consultant, demonstrates <u>Lasernet Connector's Query Performance</u> and <u>troubleshooting tools for Finance and Operations as well as Lasernet</u>.

Finally, we have Functional Consultant Nathan Gould demonstrating <u>how to migrate</u> <u>Lasernet configurations between different environments and legal entities</u>.

Browse through our <u>YouTube Channel</u> and discover all the fantastic content that has been added over the past few weeks.
