Resolution and Workarounds for Laternet Crashes on 31st December 2024 and 29th February 2028

2024-10-30 - Sunil Panchal - Comment (1) - Laternet News

Known issues with Laternet will cause some systems to crash on 31st December 2024 and 29th February 2028.

For more information about this issue, see

<https://kb.laternet.online/docs/resolution-and-workarounds-laternet-crashes>.

If there is no Laternet action on 31st of december or 29th February, is it still necessary to deactivate the module?
