Webinar: Lasernet 10.1 Release Overview
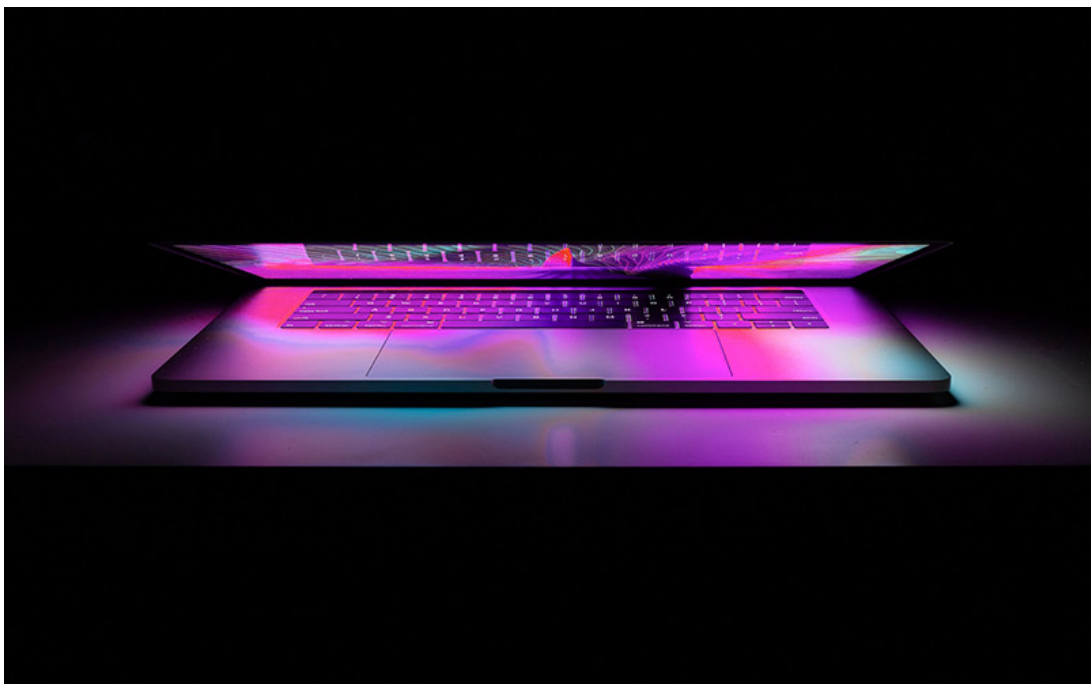

2021-10-14 - Alex Clemons - Comments (0) - Formpipe Webinars

The following webinar has now taken place. Please click here to see the News article which gives a brief report of the webinar.

Thursday 14th of October, at 15:30-16:30 CEST

Join us to see what's new as we walk you through our latest release notes of the Lasernet Core.

Hosting the event are Formpipe's very own experts in Lasernet – Torben Pedersen, Product Owner and Pernille Wichmann, Product Manager.

Navigate to the page below and use the form to sign up so you don't miss out:
