

Webinar: Lasetnet 10.2 Release Overview

2022-02-21 - Alex Clemons - Comments (0) - Formpipe Webinars

The banner features a dark background with a circular inset on the left showing a vibrant, abstract image of glowing purple and blue particles or light trails. On the right side, the text is white and includes the 'Lasetnet' logo, the title 'Lasetnet Core 10.2 Release Overview', the date and time 'Thursday 3rd March 2022 10:00 UTC / 11:00 CET', the names and titles of the speakers 'Pernille Wichmann' and 'Torben Pedersen', and the 'Formpipe.' logo at the bottom right.

Lasetnet

Lasetnet Core 10.2 Release Overview

Thursday 3rd March 2022
10:00 UTC / 11:00 CET

Pernille Wichmann
Product Manager for Lasetnet

Torben Pedersen
Product Owner for Lasetnet Core

 **Formpipe.**

Join us as we look at what's new in the Lasetnet Core version 10.2 release notes.

Torben Pedersen, Product Owner and Pernille Wichmann, Product Manager, from Formpipe's Lasetnet team, will be hosting the event.

Navigate to the page below and complete the registration form. We will then send the link to attend the day before the event:

[Registration Form](#)

Time:

10.00 UTC / 11.00 CET

As always, if you have any questions, please do not hesitate to contact sales@formpipe.com.

We look forward to seeing you on the day!
