Webinar: Lasernet Connector 6.17 Release Overview

2022-03-23 - Harley Britcher - Comments (0) - Formpipe Webinars

Join us as we look at the new features and changes arriving with Lasernet Connector version 6.17. The webinar will provide an overview of the release and what to expect for customers using Lasernet connected to Dynamics 365.

Kim Franck Agerholm, Product Owner for the Lasernet Connector, will host the webinar alongside Pernille Wichmann, Product Manager for Lasernet.

Navigate to the page below and complete the registration form. We will then send the link to attend the day before the event:

Registration Form

Time:
09.00 UTC /10.00 BST/ 11.00 CEST

As always, if you have any questions, please do not hesitate to contact sales@formpipe.com.

We look forward to seeing you on the day!
